

Camp Bibleway 2019 Fundraiser

McGregor Road Baptist Church

What is a Bible Read-a-thon? Our youth at McGregor Road Baptist Church are raising funds to cover the cost of attending Camp Bibleway this June 9th-14th. For every 10\$ pledged toward their individual goal, each camper receiving those funds will read one chapter of the Bible, out loud, to those in attendance at our Read-a-thon event. **Reading will begin on Saturday, June 1st at 12:30PM.** All are welcome to come hear the Word of God read out loud, and enjoy an afternoon of fun and fellowship with our youth!

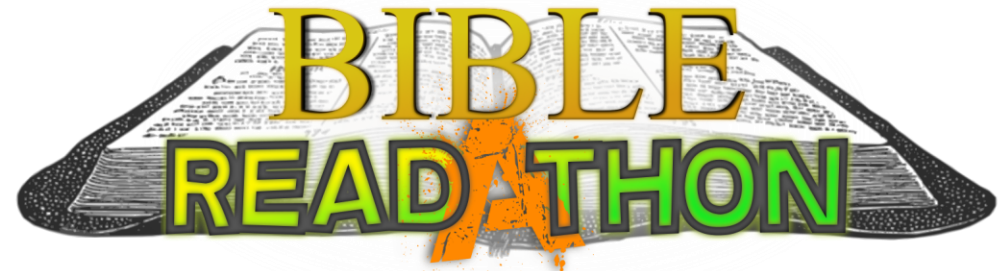

Camp Bibleway is one of the most looked forward to events of the year. It's a week of sports, teaching, fellowship, and most importantly instruction from God's word. It gives them a week away from worldly influences, with counselors, teachers, and pastors whose greatest desire is to see them develop spiritually for God's glory. The cost is \$200 per person and is worth every penny! Won't you please consider helping our youth attend this life-changing week?
