To whom it may concern,

McGregor Road Baptist Church has been serving the people of the southeast Indianapolis area for over 50 years. On Saturday, May 27th from 1-5pm we will host our 6th annual Bible Readathon fundraiser and open house to assist our youth with the cost of attending Camp Bibleway. Prior to the event each camper will be raising money to help with their \$240 camp fee. For every ten dollars pledged, our campers will be reading one chapter of the Bible out loud, to those in attendance. We are aiming to raise \$6,000 to help send our youth to camp. That's 600 of the 1189 chapters of the Bible!

We are very excited about the camper's involvement. However, we think our efforts would go even further with your sponsorship.

There are several ways you can help us achieve our goal. Specifically, we are looking for suitable raffle items for our open house event and prizes to be awarded to the youth to incentivize their fundraising. Alternatively, you can provide a cash donation toward our total sponsorship goal. As a sponsor, your name or business will be prominently displayed at our event and as a featured sponsor at one of our reading stations.

If you feel you may be able to assist in another way, please feel free to contact me to discuss this opportunity further.

With your help, we are sure to achieve our fundraising goal and ensure our youth are able to have a awesome experience at Camp Bibleway!

Sincerely,
